

# Liberty Pumps®

## 50 Hz

## LEH200-E Series

**Submersible  
Sewage Pump**

**1.5 kW**

**2" or 3"  
NPT Discharge**

**Features:**

- Heavy cast iron housing and volute
- Oil-filled motor
- Permanently lubricated upper and lower ball bearings
- Stainless steel rotor shaft
- 2-vane impeller, cast iron
- 5.08 cm solids-handling design
  - Dual shaft seals
  - 10 m power cord

innovate. evolve.

# LEH200-E Submersible Sewage Pump

## Specifications

Feature	LEH202M2-3E	LEH202M3-3E	LEH203M2-3E	LEH203M3-3E	LEH204M2-3E	LEH204M3-3E

Certifications	CE	CE	CE	CE	CE	CE

All Models IP68 rated.

## Materials

Handle	Stainless Steel with rubber over-mold grip
Oil	ISO VG32
Motor Housing	Cast iron – class 25
Volute Housing	Cast iron – class 25
Rotor Shaft	300-series stainless steel
Seal Upper	Silicon carbide/silicon carbide
Seal Lower	*Viton double-lip
Impeller	Cast iron – class 25 (2-vane closed)
Fasteners	300-series stainless steel
Lift out Clasp	300-series stainless steel
Exterior Coating	Powder coated – all cast iron parts

\*Viton is a Registered trade mark of Dupont Dow Elastomers LLC.
